Candidate for Cities
A Western Victory
A Hindu Built It
Jim Reed Can't Quit

BY ARTHUR BRISBANE

THE Manchester Guardian sees a Governor Smith's nomination re-
sulting in the power in great cities.
It believes that national control is
passing into the hands of "great city
bosses, made up of more recent
immigrants, which never
care for the preservation of their own
the presidential conflict."

SENATOR CAPPER of Kansas re-
sponds in the Hoover-Curtis nomi-
nation as "proof that the Republican
Party is committed to the Republi-
can."

CAPPER thinks the country will be
safe in the hands of "two farm-
er western men, one a genius a con-
servative administration, the other a
"safe" political leader."

It is important to Republicans is
that Capper believes no Re-
publican platform and candidates are
acceptable to farmers. Sena-
tor Capper understands farmers as
as any man in the country.

ASSA N DINA, good Hindu is dead.
A Man, he lives forever, in the
land of his choice, or in the queerly
Nirvana, if preferred. He
built an astronomical observatory on
Mount Wilson, dropping materials from
the top, and has spent \$500,000 on
it. It will be the finest observatory in
the world, on Mount Salto.

WHEN completed, this observatory,
a gift to France, will cost \$6-
20,000 and have the world's greatest
telescope, its diameter 15 inches, five
inches wider than our Mount Wilson
telescope.

In the clear mountain air, 4,437
feet high, this gigantic eye, looking
into space, will be, scientifically, the
best monument on the earth.

COMMANDS FLEET

Admiral William B. Pratt, who
took command of the United
States battle fleet in ceremonies
aboard the U. S. S. California in
Los Angeles harbor. He succeeds
Admiral R. de Steiguer, who be-
comes commandant of the Brook-
lyn Navy Yard and head of the
third naval district.

JUST KIDS—attention!

Cartoonist Ad Carter, the
man who draws "Mush" and all the
rest of your favorite characters,
has a job for you.

We just received a letter from
him today, and the famous artist
wants YOUR help in making
Fourth of July a safe and sane
celebration this year.

Mr. Carter is asking you, as
members of the Just Kids Safety
Club, to keep away from fireworks
and explosives that might kill or
hurt you. And he wants you to
ask your brothers and sisters, your

schoolmates, your chums and neigh-
bors, to do the same thing.

We're sure you'll all be inter-
ested in what Cartoonist Carter
has to say. His letter is well worth
reading, well worth remembering.
Here it is:

Carter's Message

"My Dear Kids:

"The anniversary of our nation's
birthday, the Fourth of July, is
near at hand. Every year it brings
a whole lot of needless sorrow,
pain and money losses to many
good people.

"You'd be surprised to know
how many kids are killed, how
many blinded or crippled for life
by injuries received on this holi-
day. And of course you wouldn't
want to see any of your friends
hurt by fireworks or explosions.

"You children are our future

SERVICE WE GIVE

TODAY the funeral takes the form of today's
most modern means and methods. Ways of
the past are inadequate, inefficient, inadvisable.
Selection of the mortician, then, should be so guid-
ed: the one best equipped and most up-to-date
to best fulfill the requirements. Your debt to the
one departed calls for such selection. Your own
satisfaction, relief and comfort should urge it.

With that thought in mind we pledge
a most assuring service: fully to your
entire satisfaction, and mind's relief.

Only Miracle Can Stop American League Leader's Pennant Drive

NEW YORK, July 2—As the baseball season approaches the half-way mark, it becomes evident that nothing short of a train wreck or a miracle can keep the New York Yankees from winning their third straight American League pennant. They have captured 13 out of 18 contests with the Athletics and are 13½ games in front of those disillusioned gentlemen.

With Henry Johnson and Hoyt Hershman, the Yankees walloped the Athletics yesterday, 12 to 6 and 8 to 4. Sixty thousand fans saw the double bill, providing C. J. Lake (umpire) with a most convincing reason as to why he should not break up his great machine for the good of the other mag-nate's gate receipts.

Lazzeri Stars
Tony Lazzeri had a batting orgy with seven hits in eight times at bat in the nightcap, the wonderful way twice "gave the ball a push" out of the lot. In the opening old Joe Bush, a world series hero "kay" back in 1912, was kayed by his former master. Bush, who is hitting his seventeenth and eighteenth homers.

The Boston Braves, who had lost their last six games with Brooklyn and who had been beaten in their last seven starts, enabled Pitcher Kent Greenfield to win his first game of the year by outdueling the Dodgers, 8 to 7. Gink Hendrick, at third base for Brooklyn, dreamed that he was back at his old post in the Dodger outfield and out leaped with a long distance heave that let in Boston's last run.

Grantham Helps Pirates
The return of George Grantham has helped the Pirates. The slugging first baseman has chipped eight hits in his last ten times at bat. He got six hits yesterday when the Blues split a twin bill with the Cardinals.

Brooklyn into third place when Ed Rixey beat the Cubs 4 to 1.

Slim Harrison and Ed Morris pitched the Red Sox to two victories over the Senators, 2 to 1 and 7 to 1. Buddy Myers, former Washingtonian, hit a double and a triple in the opener, which failed to do any damage, but finally walloped a homer which settled the business.

Although 23 hits were made in the Detroit-St. Louis game, none was for extra bases. Seven hits in the eighth resulting in six runs, gave the Tigers a 7 to 4 edge.

A homer by George Burns gave Cleveland a 5 to 2 decision over the White Sox.

Life in a game of chance; it would be rather stupid if it were not.

GIANTS LOSE TO EAGLES, 7-4

TWO HOME RUNS SCORED IN FIRST

Marion Puts Game on Ice with Six Scores in Opening Inning; Mansfield Series To Start Here Wednesday

BY KARE K. MELEVOY

Marion's Eagles baseball team is flying on an even keel, now having won what can be considered its first real ball game of the season.

Taking all the pep out of their dusky opponents in the first inning, the Eagles defeated the Florida Cuban Giants at Lincoln park Sunday afternoon, 7 to 4. A crowd estimated at 1,200 witnessed the game, just 600 less than that which saw the Homestead Grays' debut two weeks ago.

It was a "good and glorious" first inning that put Marion across with a bang. Six runs were scored in this frame before the southern birds were able to halt the march.

Just a Nightmare
Demon proved to be just a nightmare as local batters knocked him out of the box after hitting around once. He went to left field where he added another crown of thorns to his reputation by hitting his first fly.

After that one inning, the contest settled down to a real honest to goodness ball game. The black boys went scoreless until the sixth inning when the Eagles were blanked by Pittman six straight times.

Two home runs in the first inning accounted for four runs. Rowan, lead off man, practically settled the fate of Demon as he homered one over the fence for a four base clout. After Joe Courty had scored Sharruck on a two base drive and Mays walked, Rizer, a recent addition to the Eagles lineup, drove in both men with a long one over center field fence.

Hot Weather Helps
It was a good day for baseball with much of the older members of the local club showing the results of hot weather. Joe Courty is gradually working his way to a steady first by his hitting and holding. He played first and behind the plate with great success and drove out two doubles in four times at bat.

For the first time this season Glenn Price is playing in left field. Glenn has been showing the effect of the years creeping on him being unable to room around in the center garden with the reckless abandon of former seasons. Yesterday's change found Price back in his old form, executing plenty of territory. He handled three chances with out an error and in the sixth inning robbed Yost of a two runner with a one-handed catch of a long drive between left and center.

Pine Goes Good
Pine played a bang-up game at short with some sensational plays. Rizer at third is filling backland's shoes very successfully having added much to the club with his hitting. He handled several hard chances in big league fashion.

Although the Cuban Giants do not in any way compare with the Homestead Grays, it was a better team that faced them than that which lost to the latter aggregation, 9 to 3.

Sampson was the outstanding player of the colored team. In addition to scoring two runs, he crashed out a homer, a double and single in four trips to the plate. His peg to second was plenty sweet to see.

Kaplan's Loss, 1-0
In the preliminary try, the Marion Kaplans defeated 7 to 0 in nine innings. The locals made two bad plays in the ninth allowing the winning run to come in.

Wednesday the Eagles will open a five game series with Mansfield. The

first contest will be played at a Fourth of July attraction at Lincoln Park and on the following Sunday the local will journey to Mansfield for the second game.

Two home runs in the first inning accounted for four runs. Rowan, lead off man, practically settled the fate of Demon as he homered one over the fence for a four base clout. After Joe Courty had scored Sharruck on a two base drive and Mays walked, Rizer, a recent addition to the Eagles lineup, drove in both men with a long one over center field fence.

SEATS SELLING FOR HEAVYWEIGHT BOUT
Rickard Predicts Pair Will Draw at Least \$1,500,000

New York, July 2—Three weeks from next Thursday night Tom Heeney will come to the end of his trial of heavy-weight conquest when he climbs into the ring with Gene Tunney at the Yankee stadium.

It is the first heavyweight championship fight in seven years that has not been preceded by a night's clash of half-heavyweight bouts for a month or six weeks.

Promoter Rickard, however, sticks to his prediction that Tunney and Heeney will draw at least \$1,500,000 and support this contention by a statement that he has already booked \$250,000 for the accompaniment of the ring-side crowd.

This he points out, indicates a ring side sale of at least \$200,000.

The public sale opened this morning at Madison Square Garden with more than 80,000 tickets available at prices ranging from \$1.00 to \$25.00 with federal tax added. More than 88,000 tickets have been printed.

If Tunney is a great genius, you can wear what you please and people make anecdotes about it.

OAKLAND MERCHANTS WIN OVERTIME FRAY FROM POLLAK TEAM

Steam Shovel's Take Lead by Defeating Erie

Steam Shovel's Take Lead by Defeating Erie

Coming from behind after being blanked for five innings, the Oakland Merchants Saturday afternoon tied the score at two all in the sixth and, after forcing the game into two extra innings, defeated the Pollak team 3 to 2 in 10 innings.

Leadership in the Industrial baseball league is being held by the Steam Shovel team today following the defeat handed the Erie by them. In a seven inning contest the Shovel won, 3 to 2. When the Oakland team defeated the Shovel, they went into a tie for second place with the Erie. The Merchants were outlasted by the Pollak crew but two games ended in winning the first.

The scores:
Pollak team 2 9 2
Oakland Merchants 3 0 1
Batteries: Vermillion, Dutton and Shirk; Carpenter and Johnson.
Steam Shovel 3 4 1
Erie 2 3 1
Batteries: Barrell and Rogers; Stout and Deering.

OFFICIALS TO TEST "NO BETTING" EDICT

Five-Day Card of Grand Circuit Meet To Open in Cleveland Today

Cleveland, July 2—Preparations to test the "no betting" edict of Sheriff E. J. Hanrahan of Cuyahoga county, were being made by racing officials here today with the opening of the Grand Circuit harness meet at North Randall. Racing is scheduled to continue for five days.

North Randall officials admitted that the future of grand circuit racing here depended largely upon the outcome of the test, as last year's meet, held with out betting, resulted in a financial loss to sponsors, it was said.

Large fields make up today's program. With four races on the opening card, the lowest number of horses entered in any one was ten. This was in the "hurdle" race for three year olds, purse \$1,000.

EPWORTH TEAM TO BATTLE LEE STREET

Contest Tonight May Have Bearing on League No. 2 Winner

But one contest stands out on this week's schedule of recreation ball to day as having any bearing on the title hopes of any of the four leagues.

That contest will be played tonight in Sunday School league No. 2 when Lee Street and Epworth Juniors clash at 8th Mills. Epworth is leading the league, while the Lee Street crew are trailing behind in second place. Both teams have lost one game.

Other contests scheduled are: Forest Lawn vs. Presbyterian No. 2 at Fairfield; Lutheran vs. Christian No. 2 at Central; Reformed vs. United Brethren at Lincoln.

RECORDS FALL IN OLYMPIC TRYOUTS

Swimming Events To Decide A. A. U. Champions on Program Today

New York, July 2—The Olympic tryouts program on having been concluded by another shower of broken records, the continuation of the swimming events at Rockaway Beach today will be for the national A. A. U. champion ships.

Since the tryouts were also national championships, the only titles remaining to be decided are those for the half mile, one mile, furlong back stroke, 300 yard medley, half mile relay and fives diving fixtures. These will be contested this afternoon and Monday.

Leonard Grogg, who was a two-time world record in the 100 yard free style swim, in one minute 10.3 seconds, clipping 1.5 second from the mark held by Ethel Jackson, of the U. S. Navy.

Walker's title was permanently lost at the conclusion of the transaction. Walker's title was permanently lost at the conclusion of the transaction.

NEW YORKER WINS OHIO TENNIS TITLE

Melvin Partridge Crowned Singles Champion at State Matches in Cleveland

Cleveland, July 2—Melvin Partridge, a New York youth, today holds Ohio's singles tennis crown by virtue of his victory over a fellow citizen, Edgar Watson, in yesterday's finals of the Buckeye championship meet at the Cleveland Tennis and Racquet club.

The score was 5-7; 6-2; 7-5; 6-3. Partridge, who conquered Kirk Reed, Ohio's last hope, in the semi-finals, succeeded Frank Shields, also a New Yorker, as titleholder.

Reed and Charles Carran were successful yesterday in defending their doubles crown by defeating Ellis Klingeman and Jack Harris, of Chicago, 6-0, 6-0, 6-1.

Stan Barber, of Dayton, Cleveland, won the Ohio women's singles after a hard battle with Helen Canfield, of Detroit.

STAR ENTERS

But Walter, Big Ten Champ To Take Part in Trials

Philadelphia, July 2—But Walter, of Kokomo, Ind., Big Ten conference 400-meter Olympic champion and one of the outstanding quarter-milers in the country, is the latest star to enter the 400-meter Olympic trials to be held in the Second stadium here on Wednesday. The Northwestern athlete won the Western conference title in 48.5 and finished second by a few feet to Spencer, of Stanford, when the latter won the national collegiate quarter in 47.7.

Walter also ran anchor on the Northwestern 800-yard and one-mile relay teams. The 800-yard team won at the Kansas and Drake relays and the one-mile team won at Kansas and was second to Iowa at both the Drake relays and the conference championships.

LATZO BEING BACKED TO DEFEAT LOUGHRAN IN BATTLE JULY 11

Odds Will Be Even When Fighters Enter Ring

New York, July 2—Those innocent folk who can't be expected to spot a local thing any further than the full curve distance of a mile and a quarter, are going along the streets today on their hats and with lamps on their backs, and if you think they are trying to help them, you are wrong.

They are, in fact, are looking for an honest dollar, which makes the contest considerably less one-sided, and what they are trying to help is themselves.

This innovation in human instincts is expected to take place on July 11, when Tommy Loughran, the fighter who doesn't know any better than to fight, will defend his light heavyweight title against Pete Latzo. The miners, evidently think Tommy is about due to blow this one, for they are taking plenty of 4 to 5 on Latzo and indications are that it will be dollar against dollar when the young man wins.

It may not be worth mentioning, but the fact of the matter is that the last time they get a world's champion out of the Pennsylvania anthracite district, they won't have back with a Mexican compromise. That is to say, he can't lose his life. However, Mike Walker's title was permanently lost at the conclusion of the transaction.

MARION TEAM STILL HAS CHANCE TO WIN SUB-DISTRICT MEET

Local Legion Nine Takes Advantage of Errors To Cop, 19-2

Just one "if" stands in the way of Marion's hopes to have a representative in the district finals of the American Legion amateur baseball tournament following the Dodgers' one-sided victory Saturday afternoon at Lincoln Park when the locals defeated Carey, 19 to 2.

This "if" stands out mighty prominent and there is only a slim chance of the local team getting another crack at the subdistrict title. To make the hopes of the Dodgers take form, Carey must turn over a new leaf and defeat the strong Bucyrus nine next Thursday afternoon. This contest will be played at Carey, being one factor in favor of the latter team.

Adams Goes Hot
Marion's victory Saturday afternoon was a tribute to the fine hurling of "Snowball" Adams who pitched his first game for the Dodgers. His teammates, taking advantage of 10 Carey errors and pounding out 15 hits, home the victory.

In the first contest Marion was defeated at Bucyrus, 6-3, when two hurlers failed to hold up. Adams is being called a real find and the dusky youth, if given a crack at Bucyrus, will have a fine chance to pull through with a victory.

Not only did Adams hold a fine game of ball, but he also started on the offense and defense. He made one outburst and seven assists. At the plate he made two bingles good for a like number of runs.

Copeland, Pothier and Klinge each scored three runs. Copeland made two hits while the latter two each obtained one safe bingle.

SEARCH MADE FOR DROWNING VICTIMS

Two Lost Lives When Speed Boat Upside in New York State Canal

Buffalo, N. Y., July 2—The large canal near Pendleton was being dragged today for the bodies of James Driscoll, 21, of Beech Ridge, and Miss Marie Smith, 24, of Pendleton, who were drowned when the speed boat in which they are cruising capsized while making a turn. Witnesses said the craft attempted to make the turn at full speed, shot 10 feet into the air and overturned.

The boat was practicing for the outboard speed boat races to be held at Tonawanda on the Fourth of July. The accident cost a third life when the volunteer fire department at Wendellville was asked to bring grappling hooks to recover the bodies. The speeding fire truck collided with a milk truck and Robert Urban, 18, a fireman, was killed.

RUMBLINGS HEARD

Although the jangling between the trolley car tracks in the West Center st. improvement program is going forward rapidly and is now nearing completion, rumblings of discontent on the part of property owners in the West End have not been quieted.

First source that property owners were not satisfied with the manner in which the paving was being done between the tracks came to light more than a week ago. No definite action has been taken however and it is likely that none will be, now that the job is practically completed.

The cause of all the trouble was the decision of the C. D. & M. Electric Co. to change the use of a beveled edge brick next to the inner side of the car track. Instead of using a brick of this type, which allows the top of the brick to be level with the top of the car rail, the electric company is using an ordinary brick, the end of which is placed under the flange of the rail. This, the objectors say, leaves a drop of more than an inch and a half from the top of the rail to the level of the paving between the tracks. By using a beveled edge brick this drop is eliminated, the only offset being a narrow groove along the rail for the flange of the car wheel.

That the paving between the car tracks is not a first class job is the chief objection of the large number of property owners who have voiced disapproval of the work. The offset between the top of the rails and the top of the bricks will be a gathering place for dirt and dust and will form two gutters down the center of the street during rain, they say. It will also be difficult to be pointed out for automobiles to cross the tracks in wet weather at anything less than a right angle due to the projecting rail.

Although the objection has been somewhat unanimous with property owners, the fact that no one took the lead in seeking a change has probably lost the opportunity to remedy the rumblings of discontent.

INGENUITY WINS

Unplanned by the words "The safety club buttons are all gone" or perhaps, "You can't get a picture of Mush Stubbins without an application," some young Marionites won his way into the Just Kids Safety club party at Crystal Lake park recently by sheer ingenuity.

His handwork was discovered by a member of the Star staff who, in looking through the few remaining Just Kids Safety club buttons the other day, found one, which on close inspection showed to have been cleverly fashioned at home.

The child had taken an old Harding campaign button, which is just the size of the safety club badge and pasted on its front a picture of Mush Stubbins clipped from the comic strip in "The Star." He had even added the words, "I'm careful when the Mush on the real safety club button is shown to be missing."

While his ticket of admission wasn't legitimate and not the most honest, it deserved the good time he had if only for his ability to make useful his imagination where other efforts failed.

KEY TO CITY?

The key to the city of Marion has not been found but a bright and shiny would-be successor, as nearly a duplicate as possible, is already clamoring for the honored and responsible position.

The new key, made of aluminum and about a foot long, bears the words, "City of Marion." The owner expects to make official application for the key as "key to the city of Marion" at Mayor Hansen's office next week after displaying its qualifications for several days in one of the windows of the May Jewelry Co., West Center at.

They key was made by A. E. Van Asbeck, 224 South State st.

A WOMAN'S RIGHT

Wonder if it was a Turkish blend? It couldn't have been anything else for she was so nonchalant about the whole affair. It happened one night last week at Prospect and Center sts. The red light changed to green, and the brakes along the line of cars began to be released. But the line didn't move, for the machine in front hadn't budged. The car directly behind drew out and up to the side of the cause of the delay, only to discover that the leader of the line was busy with her match and cigaret. Horns tooted and drivers grew impatient but the line remained motionless until the cigaret had been lighted.

VERBURG MADE HEAD OF SUNDAY SCHOOL

To Succeed Douglas Torrence as Superintendent at First Presbyterian Church

MARTIN VERBURG

The appointment of Martin Verburg as superintendent of the Sunday School at the First Presbyterian church, was announced at the opening of the Sunday School services at the church yesterday morning. Mr. Verburg, who for the past five years has been teacher of the Men's Bible Class, will succeed Douglas Torrence, who recently returned to Huntington, W. Va.

A teacher to succeed Mr. Verburg will not be selected until September, it was announced by J. B. Bury, president of the class, yesterday.

CIRCUS DAY COMING TO MARION JULY 14

Press Agent for John Robinson in City Completing Arrangements

Saturday, July 14, will be circus day in Marion.

John Robinson's circus, which has been one of America's most popular "white tops" for over 100 years, will be here on that date. Since John Robinson sent out his first circus more than a century ago the show has entertained three generations of Americans and has played before millions of persons.

S. J. Clauson, press agent for the circus, is in Marion today arranging for the show.

An entirely new program is to be presented this year from the grand peeping spectacle, "King Solomon and the Queen of Sheba," to the thrilling races at the conclusion. More than 100 persons will visit the city with the circus.

Many changes were made in the personnel when the circus took the road this year, according to the press agent. Among the international features will be the Riding Rudykoffs from Austria, Walter Giese and company from Holland, Johnny Correa and family, American riders, the Seven Moley Arabs, Walter Powell, Tott Hartman and Gretchen Deimhart, wire artists, the Norman girls, LaFrance sisters. Four clowns will scamper all over the big top.

CITY, COUNTY HEADS WILL DECIDE ACTION

Permanent Improvement of Kenton-av Up for Consideration at Meeting

A fight to bring about the permanent improvement of Kenton av., from the Erie railway tracks to the corporation line, started by T. J. Mead, councilman from the second ward, has progressed to the point where a meeting of representatives of city council and the board of county commissioners will be held to decide the matter. Just when the meeting will be held, however, has not yet been determined.

The city has spent enough money making temporary repairs each year to put the street in a permanent first class condition. Mr. Mead said. Each spring the city service department spends considerable time and money in repairing the street, but in a short time it breaks down under the heavy traffic, he stated.

The street, it is pointed out by the

VICTORY SEEN FOR OREGON ASSEMBLY

New President of Mexico Expected To Be Backed by Friendly Legislators

Vera Cruz, July 2—Returns today indicated that the General Alvaro Obregon, who was elected to succeed President Calles yesterday in an uncontested poll, will have the backing of a favorite national assembly.

The returns showed that the Socialists and Social Democrats, who are strongly behind Obregon, are running ahead in the race for both houses of the assembly.

The election yesterday was unmarked by any serious outbreaks. The polls in the larger cities were heavily guarded. The saloons still remained closed today.

Dr. B. L. George, Epworth Pastor, Preaches Sermon of Union Service at Calvary

"America for Christ" is Subject Used in Talk; "God Interested in Universe," Speaker Says; Next Meet at First Reformed Sunday

Auditorium of Calvary Evangelical church was filled to capacity last night when Dr. B. L. George, pastor of Epworth M. E. Church, preached at the second union service of the summer months.

Dr. George took as his subject, "America for Christ," and used as his text, Isaiah, 49:6, the words of the Lord, "It is a light thing that thou shouldst be my servant to raise up the tribes of Jacob, and to restore the power of Israel: I will also give thee for a light to the Gentiles, that thou mayest be my salvation unto the end of the earth."

"God is interested in the universe and in the whole of it," Dr. George said in part. "His aim is to present the nations of the world perfect in Christ—for Christ is God's last word for man."

Will Not Be Surpassed
"The words of Ernest Renan, 'Jesus will not be surpassed. His worship will constantly renew itself. His history will provoke endless tears and His suffering will subdue the stoutest hearts, all ages will proclaim that among the sons of men, no one has been born who is greater than Jesus, express His power.'"

"To present every man perfect in

Christ is now God's plan," Dr. George continued, "and it is my burning desire and constant prayer that He may make use of my American, land of the stars and stripes, to further the interests and objectives of Jesus, and Christ. That He may use her intelligence, her inventive, creative powers, her God-given wealth. America is best fitted to illustrate Christ's spirit of truth—His principles and objectives because of her knowledge of Christ, who He is and of His great mission."

"America for Christ"
"America for Christ is a slogan to stir the imagination and warm the heart," Dr. George declared. "America must illustrate in life affairs, local and at large, in homes and in state and national matters the spirit, principles and ethics of Christ. The eyes of the whole world are upon the United States of America. Her influence is vast. If good—she will lift the world; if bad it will fall down at her hands. If America exalts Jesus Christ the whole world will notice it."

Jesus wants America—it was he who opened up America through Columbus and he has been identified with it ever since. It was he who made America the great country she is and he alone is her shining hope. God used other nations like Egypt, Greece and Rome but he alone has the power to make his influence felt throughout the world," he concluded.

Other pastors assisting in the service were the Rev. E. Hoffmann, pastor at Calvary, who presided; the Rev. Herbert F. Weckmüller, who read scriptures; the Rev. George E. Groves, who led in prayer; the Rev. Karl W. Pinos, who provided for the offering; and the Rev. W. H. Howard, who pronounced benediction.

Music by Calvary Choir
A musical program was given by the choir of Calvary church directed by L. D. Zachman and with the assistance of the church organist, Miss Pauline Zachman. Two special numbers were included, "Hymns in the Lord and Healed," sung by the male chorus, and "What Shall I Profit a Man," by the choir. A song service opened the meeting.

Preceding the union service, at 7 o'clock, young people from the young people's organizations of the nine churches included in the union service program held their weekly union meeting at Calvary church. The program was given by members of the Senior League of Epworth M. E. church with Miss Mary Heintinger, president, presiding. Miss Heintinger presented the lesson study, "America First" and conducted devotionals. Miss Helen Fuller gave a reading, "The Boy's Dream Star" and Miss Lela Rudgrass sang several numbers.

Next Sunday night the union service and young people's meeting will be held at First Reformed church at 8 and 7 o'clock, respectively. The Rev. George E. Groves, president of the Marion County Ministerial association, will be the speaker.

All the "downtown" churches, First Presbyterian, Trinity Baptist, Epworth and Prospect Street M. E., First Reformed, Central Christian, Salem and Calvary Evangelical and First United Brethren churches, are included in the union service plan.

FEAR WARFARE

Going Outbreak May Result from Murder in Brooklyn

New York, July 2—An outbreak of gang warfare in Brooklyn was feared by police today as a result of the murder yesterday of Frankie Yale, 35, a racketeer and former member of "Scarface Al" Capone, of Chicago.

While riding along a Brooklyn street in his sedan in plain daylight, Yale was shot by several men in another machine. They are believed to have fired a sawed off shotgun or a submachine gun.

The only clue police had today was that the car bore either Illinois or Indiana license plates.

CLARION WINS

The Clarion entry in the Tri-County league yesterday defeated Chester to the tune of 10 to 2. Clarion started scoring in the fourth inning while Chesterville scored their two runs in the last two frames.

HEAT WAVE BLAMED FOR LOSS OF LIVES

18 Perish in New York District; Temperature 85 in Marion

Although intense heat was reported from various points in the country today, resulting in heavy death toll, the temperature here, while considerably higher than for the last few weeks, registered only 85, two points lower than yesterday's high, 87, and much cooler than the same time last year when the mercury reached 93. Yesterday's low was 63, while last year the mercury dropped to 73 on that date.

Thunderstorms are predicted for Tuesday and a "partly cloudy" prediction is given for tonight and Tuesday.

New England states experienced their first scorching today for weeks. In New York City the intense heat and the efforts of weekend throngs to avoid it, were blamed for the death of 18 persons in and about greater New York. Thirteen persons perished by drowning and four were killed in automobile accidents. One man, John Cudrask, of East Canaan, Conn., died in Fordham hospital of heat prostration.

The 80-degree temperature in Cleveland was blamed for the death of Edward Laville, 40, Cleveland, who drowned while swimming in the Cuyahoga river Sunday. The body has been recovered by coast guards.

DOGS KILL SHEEP

VALUE AT \$275

Nineteen Head Killed and 17 Injured by Canes During Week

Sheep valued at \$275 were killed by dogs in Marion county during the week ending June 30, according to the report filed today by County Dog Warden Dale Rhoads. Nineteen sheep were killed and 17 injured, the report shows.

The largest loss was sustained by John Clark of LaRue, when dogs killed five and injured 14 head valued at \$224. Ten sheep in the flock owned by Joe Riland, of Marion, R. F. D., were killed, and three were injured. They were valued at \$110. G. W. Parker, of LaRue, lost two sheep valued at \$17, and E. C. Helm, of Buynoy, R. F. D., lost two valued at \$22.

Two dogs were impounded and killed by the warden during the week, according to the report.

NO CELEBRATION IS SLATED FOR MARION

Business To Come to Standstill in Observance of Independence Day Here

Business in Marion will come to a standstill at the usual closing time Tuesday afternoon to enable proprietors and employees to join in the celebration of the Fourth of July. Retail stores will be closed all day Wednesday, Kenneth Fields, secretary of the Retail Merchants' Association, announced today.

No formal celebration is planned in Marion and as a result a large number of persons are expected to spend the day at nearby vacationing resorts.

The ban placed on the sale and shooting of fireworks within the city limits by Chief of Police Thompson is expected to keep Marion quiet during the day.

Proprietors of fireworks stands which have sprung up in large numbers on streets leading into the city report that sales thus far have been poor. The wet weather of last week is blamed for the lack of interest in firecrackers, torpedoes and skyrockets.

DRIVER INJURED AS MACHINES COLLIDE

Autos Damaged in Accident Near Pleasant Acres, This Morning

Two automobiles were damaged when they collided on the Delaware road, south of Pleasant Acres, this morning. Although both machines were badly damaged, only one occupant was injured.

The cars were driven by William Monner of Findlay, and L. C. Jones of Mt. Vernon. Monner sustained a sprained arm when the machine plunged over a six-foot embankment following the collision.

LOCAL GOLFERS ARE DEFEATED BY LIMA

Bower and H. W. Hane Lead Marion Team with 83 Scores

Members of Marion's golfing fraternity who compose the representative team of the county club were given their second defeat in five days here yesterday.

The local club lost to the Shawnee club of Lima, 30 to 22. K. M. Bower and H. W. Hane were low scorers on the local team with 83 each.

On Sunday, July 15, the local team will take on Galien on the latter course. The following Wednesday will find Bucyrus playing here.

WASHINGTON READY FOR SENATE PROBES

Five Inquiries Scheduled at Last Session To Get Under Way Soon

Continued From Page One.

Two weeks to continue the presidential campaign probe into California, pre-convention campaign costs, and will then return east to begin the sugar inquiry.

Will Report To Congress

This committee will prepare reports for the new session of congress both on the presidential campaign expenditures and the sugar charges.

A subcommittee of the House sugar fund committee will go to Atlantic City to determine the veracity of charges that exorbitant sums of money were spent during the senatorial primaries, and that voters were "imported" from other places. Enoch Johnson, political leader of Atlantic City, will come before the subcommittee when it visits the resort.

FACTIONAL CONFLICT MARKS CONVENTION

Zionists Engaged in Warm Contest Over Selection of Leader

Pittsburgh, July 2—Members of the Zionist organization of America met in their second day sessions of their thirty-third annual convention here today, divided into factions both fighting for the control of the organization.

Late this afternoon, the committee on nominations is scheduled to present its recommendations for officers for the coming year. Two factions, one of which is composed of adherents to Louis Lipsky, present president of the organization, and the other made up of adherents to Rabbi Stephen Wise, are both fighting vigorously for the leadership.

Lipsky, against whom there has been considerable opposition for several months, won the first bit of the factional battle in yesterday's opening sessions of the convention when he was elected honorary chairman by an overwhining majority.

His victory, was attended, however, by an uproar in the convention caused when Rabbi Wise suggested that there be no honorary chairman. He intimated that he would accept the chairmanship. His suggestion was overruled.

MRS. C. L. RUTHERFORD, South High st., was hostess at a bridge lunch on and linen shower Saturday afternoon at the Hotel Harding, for the pleasure of Miss Helen Charlene Beyer, whose marriage to Sigurd A. Jensen will take place in early August. Covers were placed for 11 at a table centered with a crystal bowl holding blue delphinium and yellow ranunculus, the colors chosen by Miss Beyer for her wedding party. A quaint note was added to the table by the miniature colonial dame powder boxes in blue and yellow, given as place favors. Bridge awards were presented to Mrs. Marion Cheney, first, and Miss Florence Cull, second. Miss Fern Culver, of Harpers, and Miss Elizabeth Waddington of Prospect, were out-of-town guests.

To Clear Skin Of Pimples

Do It Quickly And At Small Cost—It's Easy This Way

Why should anyone allow pimples, blackheads and other blemishes to mar the beauty of their skin when they can be so easily gotten rid of with Peter's Ointment?

All you have to do is rub the Ointment thoroughly and regularly into the skin for a few days till it is soft, clear and perfect.

Emma Lillian Baker of St. Louis writes: "I was very pleased with your sample, and I advise every family to have a box in their medicine cabinet. It has cleared my skin wonderfully and I appreciate your sending me a sample. I am going to buy a large box and always have it ready for use. It sure is a wonderful salve. I wouldn't be without it."

And Edward King of Pittsburgh, Pa., writes: "Had pimples all over my face for over a year, but Peter's Ointment did the work." 25 cents a box at all drug stores.—Ady.

You Can't Make a Good Ginger Ale Over-night!

YOU might throw some materials together, and the next day you might call it "Ginger Ale"—but that would be a misnomer. Ginger Ale does not really deserve the name until it has been properly and scientifically aged.

In rare old Clicquot Club Ginger Ale the finest ingredients are first skillfully blended by a secret formula (the result of over 40 years' experience and known only to us); then this marvelous blend is AGED 6 MONTHS—the exact time necessary to secure the highest quality and to bring out that rich mellow flavor which distinguishes Clicquot Club from all other ginger ales.
